Excellent presentation and sold turnkey with impressive inventory.

Full pre-purchase survey report available on request.

Detailed video tour by owner available on Nautilus Yacht Management Youtube Channel.

Available now.

Nautilus Yacht Management is proud to present to market this Leopard 46, now available in Fiji.

Without a doubt Calistais by the best example of the Leopard 46 we have had the pleasure to offer for sale over a decade of specialising in international cruising yacht. Admirably refined from her original design, with dozens of improvements to her original factory fit-out to further enhance comfort as a live aboard ocean voyager, as well as ease of handling solo or short handed, this remarkable Leopard 46 is truly exceptional.

Calistais also the only Leopard catamaran on the market with boom furling mainsail, for easy reefing and unlimited choices of sail area.

All the lines are run to the cockpit, with additional clutches added to the original deck hardware to increase safety during sail handling.

Her helm station is fully enclosed for weather protection, and her large cockpit is fitted with drop down covers for shade and comfort. Another improvement to the design is the addition of quality and durable Flexiteak to the cockpit and side / aft steps, for a more luxurious and modern look.

Cruising Yachts Specialists

Suite 302, Level 3, 304-318 Kingsway Caringbah NSW 2229

Calista's interior is beautifully presented and was also professionally modified to increase storage for everything you need as live aboard. Instead of the settee / couch normally found in the master cabin, and which cruisers generally report that it serves no purpose except gather clutter, fitted cupboards were installed and preserve the desk / vanity area.

Calista has all of the modern comfort of a mini Superyacht, with air conditioning, watermaker, ice-maker, large cold storage capacity, washer/dryer, Starlink, lithium batteries, generator, huge solar power and shore power adaptable to any voltage in the world.

Calista was recently surveyed and the report is available on request. This boat is presented in remarkable condition and with everything on board to make yourself at home and sail away without further expenses. Simply bring your rucksack, a box of food, and you are ready to go.

For a bit of info about Nautilus Yacht Management, we are a boutique-style brokerage devoted to high quality cruising yachts and to the cruising community since 2012. Ex-cruisers ourselves we just strive to help others begin their journey on the ocean.

If Calista is what you have been looking for, get in touch! Our team can organise a private video viewing with you as well as have all the time in the world to answer your questions. We also provide free-of-charge assistance with shipping, delivery, insurance, registration etc, no matter where in the world you are.

NYM has a reputation to present to the market only quality cruising yachts in beautiful, turn-key condition, but our real trademark is to work as a team with you and the sellers to ensure a seamless, transparent and joyful experience.

A WORD FROM THE OWNERS:

"Calista's story begins just 6 months after we met on a sailing site; we both were looking for someone to share the dream of sailing the South Pacific. After a short time, we found the perfect boat for our purposes - Calista is designed with a balance of comfort and performance and she delivers!

Pat spent a full year refitting her, and in October, 2020, we set sail south to Mexico. We spent nearly two years in the Sea of Cortez and on the Pacific Coast of Mexico enjoying the remarkable anchorages and snorkeling. Yet, the South Pacific still beckoned so in April 2022, we made the 20-day journey to the Marquesas. Since then, we have enjoyed innumerable anchorages, dives, and snorkels as we have made our way slowly through French Polynesia, the Cook Islands, Samoa, and Tonga. Along the way, we have made many friends and learned much about Polynesian cultures and communities. It has literally been a dream come true. Calista has served us well in these adventures, sturdily withstanding some heavy winds and seas at times, and supplying us with comforts in the remotest of areas. She has truly been our "home away from home". And yet it seems that all good things must come to an end. We both are getting on in years so it is time for Calista to carry others to their dream destinations." Pat and Peggy, Fiji, July 2024.

GENERAL INFORMATION / SUMMARY:

- LOA - 14.13m / 46' 4" (+ 53" with removable bowsprit deployed)
- LWL - 13.6m / 44' 7"

ACCOMMODATIONS:

- Master berth - Owner's stateroom occupies the entire starboard side. Double size bed with a custom mattress. USB charging points at foot of bed, cabin fans X 2, reading lights X 2. Abundant storage under the bed, hanging wardrobe and large lockers. AC controls. 4 overhead hatches with bug screens and blackout screens and 3 port holes for cross ventilation. Vanity / utility desk with library and storage.
- Master head with very large enclosed shower, electric toilet pump / macerator. Clothes washing machine in cabinet in head. One hatch and one port hole for ventilation.
- Port aft berth - Guest berth with double size bed with custom mattress. USB charging points at foot of bed, cabin fan, reading lights X 2. Abundant storage under the bed, hanging wardrobe, cabinet with shelves and open shelves. Ensuite head with separate shower, electric toilet pump and macerator. Hatch over berth with bug screen and blackout screen, hatch and port hole in head for ventilation.
- Port forward berth - Double bed with custom mattress, cabin fan, reading lights X 2. Storage under bed, hanging locker, a cabinet with shelves and storage shelves. I use this berth as my tool room so at the moment, most storage is taken by tools, spares and other equipment. Ensuite head with separate shower, electric toilet pump and macerator. Hatch over berth with bug screen and blackout screen, hatch and port hole in head for ventilation. Watermaker controls are in this head. Watermaker system is under this berth.

HEADS:

- Three heads with electric macerators, sinks, medicine cabinets, AC outlets, and separate showers.

COMFORT:

- Refrigeration: Sea-frost fridge and freezer in salon, Sea-frost fridge in cockpit
- Air Conditioners: Cruisair, 1 x 16,000 BTU for salon, 2 x 12,000 BTU, one for each hull)
- Splendide 2100 Clothes Washer / Dryer
- Raritan Icemaker, model 85 (new 2022)
- SodaStream Sparkling Water Maker with 20 lb CO2 tank
- BBQ by Dickinson Marine, Sea-B-Que, Large size
- 24 inch TV on swing arm
- Fusion Apollo RA770 Stereo with speakers in salon and in cockpit

Email: info@nautilusyachtmanagement.com

Suite 302, Level 3, 304-318 Kingsway Caringbah NSW 2229

-
- Pressure washer

GALLEY:

- Force10 3 burner stove with oven
- Emmerson microwave oven
- Magma pots and pans set
- Flatware for 8
- 7 piece knife set
- Double galley sink
- Smoke and Carbon Monoxide detector
- Refrigeration: Sea-frost fridge and freezer in salon, Sea-frost fridge in cockpit
- CruiseRO SM-30, 30 gallon per hour reverse-osmosis water maker
- InstaPot
- Ninja Blender and food processor
- Upgraded sliding drawers in galley
- Cubby behind sink for soap, brushes, sponges
- Two propane tanks for galley stove and BBQ

SALON:

- Large table that can be converted to a coffee table or made into a two person berth.
- Storage under seats
- Nav table with B&G Zeus3 12 inch chart plotter and Victron Color Controller to monitor systems.

COCKPIT:

- Large table with cushions around 3 sides
- Fridge and icemaker in cockpit
- Storage lockers under three seats
- Roll-down sun shades can enclose parts or all of cockpit
- Permateak synthetic flooring
- Easy communication with Salon and helm
- Dinghy davits with two winches
- The solar panels are on a custom stainless steel arch aft of the cockpit roof, above the davits.

ADDITIONAL STORAGE:

- Port forepeak locker has a mattress and shelves, designed to be a crew cabin. We use it for storing folding chairs, hammocks, the salon table mattress, and lots of spares and equipment. Access via a hatch on deck or a door into the port forward berth.
- Stbd forepeak locker has a small sink. I use it to store 6 large jerry cans, a spare anchor, many ropes, water hoses and a pressure washer.
- Port foredeck locker (behind the trampoline) has the generator, the Code0 sail, the house batteries, some fenders and the inflatable kayaks
- Stbd foredeck locker (behind the trampoline) has two water tanks, the asym spinnaker, some fenders, extra chain and a spare anchor
- We store many canned foods and bottled food items in the stbd bilge
